

## **All India Open Abacus National Level Championship-2025**

**"Welcome to Indian Olympiad**, a premier platform fostering mathematical excellence and cognitive development among students worldwide. Established in 2018, we aim to nurture young minds through engaging competitions, resources, and events.

**Indian Olympiad** conducts Abacus and Math Olympiads, online and offline competitions open to all students across the globe. Our unique assessment patterns, comprehensive syllabus coverage, and expert feedback empower students to enhance problem-solving skills, boost confidence, and develop critical thinking.

With a vision to create a global community of math enthusiasts, we inspire students to achieve excellence in mathematics and related fields. The main purpose of organizing the competition is to allow students to compete on a common platform and develop a healthy competitive spirit among the students while giving them an opportunity to showcase their talent at abacus mathematical competition. We cordially invite you to participate in this event & explore your arithmetical calculation skills and win attractive prizes.
